

Train-the-Trainer Course

Discover your ability to motivate and encourage people while evolving into a dynamic facilitator of learning! Improve your delivery while transforming the learning experience into an engaging and meaningful event that truly changes behavior using LCE's proprietary 3A Learning® process. Life Cycle Institute's interactive and customizable two and a half day Train-the-Trainer class will give you the skills you need to accelerate participation, comprehension and retention. By analyzing and applying the latest in adult learning theories, you will learn how to:

- Deliver a participant-centered learning experience
- Manage the classroom while creating a positive learning climate
- Lead content driven activities
- Demonstrate a bias for flip charts versus PowerPoint
- Engage participants with powerful energizers, openers and closers
- Deal with difficult participants

You Will Leave With:

- A toolkit to implement 3A Learning and facilitate a dynamic learning event that changes behavior to produce results
- The talent to manage a classroom while using a number of new skills and tools
- Confidence in your ability to engage a class with a participant-centered learning experience
- A comprehensive and active training manual
- 2.1 CEUs

What Our Students Are Saying:

"This was a fantastic class! I learned a lot about myself and others and best ways to facilitate learning in an active way. I think we all learned new, easy ways to implement measurable success!"

- Deloitte Consultant

"I really enjoyed the course and will put it to use in preparing upcoming training sessions. I have a lot of rethinking to do."

- Jennifer Gossen - Avaya Government Solutions

Who Should Attend:

Subject Matter Experts (SME) who want to become facilitators of learning; instructors or trainers interested in delivering a participant-centered learning experiences; novice facilitators and team leaders responsible for producing results with people whether in the classroom, during presentations or in meetings.

Life Cycle Institute:

Life Cycle Institute is a recognized and respected leader in Learning, Leadership and Change Management solutions. Be prepared to be an active learner. When you invest in training with the Life Cycle Institute, you will gain knowledge and learn skills that you will be able to apply immediately. Our courses are designed to teach by doing. Your training with the Life Cycle Institute is different because we offer:

- Facilitators who practice what they teach and teach what they practice
- Course content that integrates the 3A Learning process and has the latest proven tools and methods
- Adult learning methods that minimize lecture and emphasize learning by doing
- Classrooms that are specifically designed to facilitate learning

Course Information:

Each course includes a comprehensive active learning manual, morning and afternoon refreshments, lunch, and the use of a fully equipped e-business center. Classes are held Tuesday through Thursday. All students completing a class at the Life Cycle Institute will receive a certificate of completion awarding 2.1 CEU's.
